Based on this request, Utah County agrees to provide deputies for the function described above on the terms contained herein. Any agreed upon service cancelled without 48 hours' notice will be subject to a two (2) hour minimum charge per deputy. The requesting person or entity shall pay Utah County the following rates per deputy for deputies provided by this agreement:

\$90.00 per deputy per hour (two hour minimum)

**Any event requiring more than 3 deputies to work must include a supervisor in addition to the required deputies. In this case, the event holder will be charged an additional fee of \$100.00 per hour for the supervisor's presence at the event.

The party will be responsible for all state, county or local permits that may be required to secure rights-of-way and authorization to perform activities while in Utah County.
