The above-named party requests that Utah County provide POST certified Utah County Sheriff's deputies in uniform and in a marked Utah County Sheriff's Office vehicle for the purpose of regulating traffic flow and/or providing security. In all circumstances the primary function of deputies shall be public safety and the enforcement of applicable state and county laws.

Location: \_\_\_\_\_

Number of deputies requested: \_\_\_\_\_ Date(s): \_\_\_\_\_

Time: From: \_\_\_\_\_ To: \_\_\_\_\_

Based on this request Utah County agrees to provide deputies for the function described above on the terms contained herein. The Utah County Sheriff's Office will require ten business days' notice to schedule services and 48 hours' notice to cancel the services. Any agreed upon service cancelled without 48 hours' notice will be subject to a two (2) hour minimum charge per deputy. The requesting person or entity shall pay Utah County the following rates per deputy for deputies provided by this agreement:

\$90.00 per deputy per hour (two hour minimum)

\*\*Any event requiring more than 3 deputies to work must include a supervisor in addition to the required deputies. In this case, the event holder will be charged an additional fee of \$100.00 per hour for the supervisor's presence at the event.

\*\*Deputy travel time will include a flat charge for each deputy and supervisor at the rate listed above for 30 minutes to and 30 minutes from the event, and may include an extra travel charge for an event occurring in a remote, outlying area (as determined by Utah County) which requires substantial time to commute to and from the event.

Within 14 days of invoice to the requesting person or entity, the requesting person or entity shall pay the amount due to County. Any amounts outstanding after more than 14 days of invoice shall bear interest at the rate of 18% per annum until paid in full. Should it be necessary to collect past due amounts remaining after 14 days of invoice therefor, the party shall pay County's reasonable court costs and attorney's fees incurred in the collection of the past due amounts.

Deputies will comply with reasonable and lawful requests from the party, its principals, or employees. Deputies may deny requests of the party due to traffic or safety factors. Deputies may not unreasonably restrict the flow of traffic for extended periods of time. Deputies will also deny any illegal requests or requests that would be incompatible with their primary law enforcement mission.

Party understands that Utah County is an independent contractor, that Utah County will determine how and if requests of the party are to be enforced, that party has no control over the manner in which Utah County provides the services contemplated by this agreement, and that an agent/principal or employer/employee relationship does not exist between Utah County and the party. The party will be responsible for all state, county or local permits that may be required to secure rights-of-way and authorization to perform activities while in Utah County.
